## **New Program for Toddlers and Their Parents!**

**Parents with children aged 2-3 years have a new reason to visit the zoo!**

**'Critters and Crawlers' classes were designed just for them!**

**These 45 minute interactive programs presented on the second Saturday of each month, will introduce children to the many different types of 'critters' at the zoo with fun activities and a special close up look at one of our many animals.**
