Jackson Announces Zoo Camp 2007 *Early Bird Discount Between Now and April 30th*

Recognize the Wild in your child! Enroll him or her in Zoo Camp 2007 now! The Jackson Zoo is offering children the chance to spend a week at the Zoo learning about animals and wildlife conservation. Zoo Camp offers weeks designed for specific age groups and specialized topics so kids can enjoy learning about animals with others their own age.

Each week is filled with Zoo visits, crafts, animal-related games, learning projects and more. Call 601-352-2586 for additional information, or visit www.jacksonzoo.org. **Early Bird Discounts are available between now and April 30, 2007.** Camp descriptions are described below:

Zoo Adventurers - Children ages 6-12 years

Small World Expedition!	June 4 - 8	8:00 am - 4:00 pm
	June 18 - 22	8:00 am - 4:00 pm
Feline Fundamentals	June 11 - 15	8:00 am - 4:00 pm
	June 25 - 29	8:00 am - 4:00 pm

ZOO ADVENTURERS Topic Descriptions:

Small World Expedition:

Hey kids! Time to "bug" your parents about summer vacation! Do you know how much a shrew weighs? Do you know why hummingbirds migrate? Do you know how many flies a spider can eat? And did you ever wonder how something as big as an elephant can pick up something as small as a penny?

Feline Fundamentals:

Hey cat-loving kids! Find out how the Zoo cats are different from your kitty at home. Which of the big cats purr? Which can roar...and much more!

Critter Crew - Children ages 3-5 years (with caregiver)

Super Senses	June 4-8	9:00 - 11:30
Happy Habitats	June 18-22	9:00 - 11:30

CRITTER CREW Topic Descriptions:

Looking for a camp to do with your pre-school aged child? Then check out the Critter Crew! The two topics offered this year are the following:

Super Senses: This program helps your preschooler learn about their five senses while having fun comparing and contrasting that to animals' senses.

Happy Habitats: This program teaches your child the fundamental characteristics of animal habitats and compares them to what your child experiences in their own "native habitat."
